INTRODUCTION & OVERVIEW

BSSM VIDEO CURRICULUM

INTRODUCTION

Over the years, many friends have asked for assistance in creating schools of supernatural ministry. In response, we have developed a 1st and 2nd Year Video curriculum based on our Bethel School of Supernatural Ministry (BSSM) in Redding, CA. We have also developed an Administrator's Manual, which is a collaboration of insights and tools we use to build a structure that serves the vision and a culture that facilitates revival.

With great anticipation for your new school, we will be joining you in prayer as God unfolds His specific purposes and plans for your ministry. We want to thank you for partnering with us in this dream—to see God's kingdom come, here on earth as in heaven!

OVERVIEW

The Bethel School of Supernatural Ministry's (BSSM) vision is to teach, equip, train and commission the Saints to bring revival to the four corners of the earth.

The BSSM Video Curriculum and Administrator's Manual are designed to enable churches to start schools of ministry and/or supplement their current teaching material with the supernatural. Our dynamic group of speakers including Bill Johnson, Kris Vallotton, Danny Silk, Eric Johnson, Kevin & Theresa Dedmon, Dann Farrelly, Bernie Ooley, Mark Brookes, Gabe Valenzuela, Paul Manwaring and Banning Liebscher bring transforming messages of the revival culture, inheritance, leadership, activation, healing, the prophetic and Biblical studies.

ADMINISTRATOR'S MANUAL

With over 14 years of experience, the staff of Bethel School of Supernatural Ministry (BSSM) has created an Administrator's Manual. The Administrator's Manual is a "How To" guide designed to offer simple, straightforward advice on how to administratively reproduce a school like BSSM. It covers several topics including Staff and Department Development, the Admissions Process, Class Schedules and Meetings, Finances, Mission and Core Values, Discipleship Materials, as well as information on Attendance and Homework. The Manual includes a CD with most of the documents in the manual on it, which means you can use pre-made forms or change them to fit your specific needs. As an added bonus, we have also included Danny Silk's essential DVD series called Loving Our Kids on Purpose and Unpunishable: The Fruit of the Cross, which target the crucial topics of discipleship and discipline. This dynamic manual gives detailed descriptions of the core values, techniques and systems BSSM uses to create an empowering culture where our staff and students can succeed.

Price: \$495.00

Note: We are in the process of updating this manual with expanded & revised content that will be available in digital format. If you currently have or will be purchasing the existing manual, you will also have access to the digital manual once it is released.

1ST YEAR – BSSM VIDEO CURRICULUM

The 1st Year BSSM Video Curriculum is a 9-month program designed to create an environment where students can safely take risks as they learn and develop a lifestyle of character and supernatural ministry. The organization of the lessons in the curriculum sequentially follows the BSSM school year, which takes into account the emotional and spiritual development of the students as their lives are transformed.

The curriculum focuses on developing a revival culture and a lifestyle of the supernatural through teaching about our identity in Christ and how to operate in signs & wonders. These foundational messages are a core component in the culture of revival at BSSM. There is also a strong emphasis on Biblical studies, healing, developing a prophetic culture, and demonstrating the gospel with power. Combined with worship, outreach, revival/small group, discipleship and mission trips, this curriculum will produce a well-rounded program that will activate your students in the supernatural.

1ST YEAR - TEACHER'S MANUALS & DVDs

The 1st Year BSSM Video Curriculum is organized into 14 sections, with a total of 112 class sessions. Each class session is 1-1.5 hours in length, approximating 150-160 hours of teaching. The Teacher's Manuals & DVDs can be purchased as a full set (all 14 sections) or purchased by section. The manuals are in a bound format with pages that lay flat for easy note taking. The DVDs, which accompany the manuals, are SD quality and packaged in a lightweight, secure DVD holder.

2ND YEAR – BSSM VIDEO CURRICULUM

The 2nd Year BSSM Video Curriculum is a 9-month program designed to build upon the 1st Year BSSM Video Curriculum, going to the next level by focusing on training in practical leadership principles, apostolic governmental structures, deeper activation of the gifts of the Spirit and more in-depth exegetical Bible study. There is also a strong emphasis about learning how to lead people and how to steward spiritual inheritance in order to leave a legacy for the next generation—for a revival that never ends! Combined with worship, activation, revival/small group discipleship and mission trips, this curriculum will empower students to live a supernatural lifestyle while practically leading others to do the same.

Note: Biblical Studies sessions taught by Dann Farrelly are included in our 2nd Year Curriculum, but it is not a comprehensive exegesis course. We recommend that someone on your staff teach a class on how to study the Bible. As a guideline, a syllabus and a resource list for this class are included in the School Planting & Development Manual.

31. Prince and Pauper Test – Form

To give you a better understanding of the content that is covered throughout the first year curriculum, we have included a list of general topics below. Please keep in mind that the video curriculum is not organized by topics (i.e. all of the prophetic sessions together); one topic may be discussed in several sessions throughout the year.

1st Year Topics (not in a specific order):

Identity in Christ

Students will learn the biblical foundation of a believer's identity in Christ. They will be taught how to lead lifestyles that reflect their identities as servants, children and trusted friends of the Lord called to partner with Him in natural and supernatural ways. Students will discover how to develop a belief system that is rooted in kingdom principles. The curriculum also teaches students how to draw from the revelation of their true identities in Christ and help others connect to God and fulfill their callings.

Kingdom Culture

Students will learn the biblical model for a culture of honor and how it invites the fruit of the supernatural into an environment. They will discover how kingdom culture sustains revival and facilitates the plans of heaven to restore individuals, cities and nations. The curriculum also provides messages on the power of declarations and how to partner with heaven.

Bible

Students will learn powerful tools to encounter God in the Word. They will be taught how to apply biblical truths through their relationships with the Holy Spirit. Students will discover the Father's loving nature toward humanity through a survey of the Old and New Testament. They will also hear biblical teachings about the deity and humanity of Christ, the person and fruit of the Holy Spirit, the return of the Lord and more.

Essential Truths of Christianity

Students will learn about the redemptive work of Christ on the cross that has freed believers from lifestyles of sin, lies, sickness and torment. They will be taught that Jesus came to not only forgive sin, but also came to clothe believers in righteousness and free them from the power of the enemy. Students will hear messages about how to live from the victory of the cross to see restoration in individuals, communities and nations. The curriculum also includes teaching on the goodness of God, forgiveness, healing, prosperity of the mind, body and soul.

Topics continued on the next page.

The History of Revival

Students will learn about the history of revival and how men and women have been used to ignite moves of God around the world. They will discover the spiritual legacies of former and present revivalists and how to build upon spiritual breakthroughs. Students will experience greater levels of the supernatural in their lives by valuing the testimonies of miracles, signs and wonders. They will also hear messages on the value of impartation and how to prevent roadblocks to revival.

The Gifts of the Spirit

Students will learn about the biblical purpose and foundation of the gifts of the Spirit. They will discover how to partner with the Holy Spirit to minister the gifts in ways that reveal the goodness of God and bring heaven's solutions to earthly problems. The curriculum also provides teaching and activation of words of knowledge, the prophetic, healing and more.

Supernatural Lifestyle

Students will learn how to naturally live a supernatural lifestyle to release heaven on the earth. With Jesus as the model for life and ministry, they will discover how to pray and minister to others with love and sensitivity to the Holy Spirit. Students will be taught how to demonstrate the supernatural in ways that lead people and nations into encounters with God. Through the curriculum, students will also be equipped with tools of evangelism.

Relationships

Students will learn how to cultivate healthy relationships based on kingdom principles. They will discover how to build healthy families and thriving communities that reflect heaven's relational government. Students will learn how God's grace empowers believers to live in purity and holiness. The curriculum also offers messages on dating, marriage and healthy communication.

Inner Healing & Deliverance Ministry

Students will learn how to target and uproot the things that hinder connection with the Father, Son and Holy Spirit. They will discover inner healing and deliverance tools that will help them live free from bondage in order to fully pursue their destiny. Through the curriculum, they will also hear messages on how to help others step into freedom and intimacy with God.

To give you a better understanding of the content that is covered throughout the second year curriculum, we have included a list of general topics below. Please keep in mind that the video curriculum is not organized by topics (i.e. all of the prophetic sessions together); one topic may be discussed in several sessions throughout the year.

2nd Year Topics (not in a specific order):

Stewarding Revival Culture

Students will learn how to steward revival culture in their lives and communities. They will be taught how to maintain a revivalist lifestyle by continually living from kingdom core values. Students will discover how to thrive in their lives and ministry through connection with God and community. Through the curriculum, students will also learn to become good stewards of their minds, bodies, souls and relationships.

Leadership Development

Students will learn how to powerfully lead with vision, longevity and a servant's heart. They will be taught how to manage higher levels of responsibility with character and integrity. Students will discover how to grow into the fullness of their callings, gifting and anointing. The curriculum also offers teaching on how to develop a presence-driven environment and create a spiritual inheritance for future generations.

Transforming Culture

Students will learn how to influence culture at different levels of society. They will be taught how to develop an environment that empowers believers to be unique and co-create with God in ways that release heaven upon the earth. Students will discover how to serve and influence leaders in various realms of society. They will also learn that their work inside or outside the church is equally valuable to God because there is no divide between secular and sacred for a believer.

Building and Leading a Team

Students will learn how to build and lead a team that maximizes their gifting and strengths to expand the kingdom of God. Modeling after the way Jesus believed in and empowered His disciples, students will discover how to lead and encourage individuals to be powerful and empowering in their roles. They will be taught how to cultivate trust, healthy communication and interdependence among members of a team. The curriculum also offers teaching on how to develop team core values, cast vision and instill responsibility and ownership within a team.

Topics continued on the next page.

Intimacy with God

Students will learn how to develop their own personal history with God. They will discover how to deepen their connection with Him by seeking and encountering His manifest presence through the Word, worship and prayer. Students will also discover how to pray from Jesus' victory (not for victory) to usher in the plans of heaven upon the earth.

Apostolic Structure and Eschatology

Students will learn about the apostolic governmental structure and its purpose to align believers with heaven and expand the kingdom of God. They will discover how the roles of apostles, prophets, teachers, evangelists and pastors work together to train and equip believers in their callings, gifting and anointing. Through the curriculum, they will also be taught the biblical foundation of the Body of Christ's purpose to fulfill Christ's great commission to make disciples of all nations.

Brave Communication

Students will learn how to develop healthy boundaries and connections with men and women through purposeful communication. They will be taught how to practice confrontation that protects and restores relationship. Students will also discover how to respond to people based on their God-given identities, not simply their behavior.

Biblical Studies and Preaching

Students will learn how to complete biblical exegesis, interpretation and application to prepare and preach their own sermons. They will be taught how to come to accurate and mature conclusions about Biblical theology through skills that bridge historical, cultural and grammatical context between the "then and there" of Scripture and the "hear and now" of interpretation and application. Students will also study the New Testament and discover theological principles of the Christian faith. The curriculum also provides an introductory overview of the development of these principles within the context of Church history.

*These books were released after the initial recording of the video curriculum, but directly correspond to the order of the curriculum content.

a. Jonathan’s thoughts led him to believe that he and a servant could take an army alone; his faith changed the perspective.

- Example: a fleece (a ridiculous military strategy); revealing himself to the enemy

2. Heaven cannot resist the radical devotion of faith.

a. Example: earthquake defeated Philistine army

B. Gideon’s Courage

1. God told Gideon that he would defeat the Midianite army, but if he was afraid, he needed only to listen to what the men in the enemy’s camp were saying (Judges 7:10-15).

a. Gideon heard them talking about a dream in which a loaf of barley bread knocked down their tent, and they interpreted it as the sword of Gideon.

2. God loves to increase the odds against us winning a victory naturally, which qualifies us to win it supernaturally.

a. When Jesus heard Lazarus was dying, He stayed a couple of days longer—THEN He went to raise Lazarus (John 11:6).

III. Courage Inspires People (20:00)

A. Courage to Stand

1. I Samuel 14:21 Jonathan’s courage not only inspired his servant, but also the Hebrews (backsliders) that were in the camp of the Philistines.

a. When one person stood up with courage, they found it impossible to sit still in the enemy’s camp.

2. Courage to stand up for Christ rattles the cage of everyone. Backsliders (people who have fallen away from faith in God) realize they need to come back into relationship and faith in the Lord.

3. Everyone has a thing inside that says, “I would rather live in courage than die in unbelief.”

a. Example: Esther understood she was “born for such a time as this” and said, “If I die, I die.”

b. Example: A student missionary under threat of death said, "Go ahead. I came here to die."

4. Nothing shows courage as much as when someone rises up in an impossible situation, ready to die.

a. "Attempt something so big for God that unless He shows up, you are bound to fail."—Pat Robertson

B. Jumping to the Front Line of Battle

1. The Hebrews who were with the Philistines left them and took part in the battle.

a. When a backslider sees your courage, he will come to the front line of the battle with you.

b. Others' courage reinstates those who have lost their place in God.

2. Those who had been hiding in the mountains (like those sitting in church, cold in heart, doing nothing) also jumped into the battle (I Samuel 14:22).

IV. Single-Mindedness (31:07)

A. Hold On to God's Word to You

1. Do not be distracted. Do not fear. Do not turn to the right or left. Do not compromise the commission you have been given (Joshua 1:5-9).

2. If your eye is single, your whole body will be full of light. The word *single*, is a combination of two words: *one* and *voyage*.

a. Definition of self-control: It is not having the ability to say "no" to other options. Rather it is being so devoted to one thing that you do not have time for other things.—Danny Silk

3. If the enemy cannot stop your call or you from serving whole-heartedly, he will try to get you to do things that are not really your call.

a. They will be good things, but taking time to do things you are not called to keeps you from doing what you **are** called to, and decreases your effectiveness.

- It takes courage to say "no" to great opportunities.

- Example: “born again” twice in the Bible
- c. He gives the word repeatedly to give you courage when facing opposition.
 - Matthew 13:20-21 “But he who received the seed on stony places, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures only for a while. For when tribulation or persecution arises because of the word, immediately he stumbles.”
 - Tribulation or persecution arises because of the word. For the word to go deep in you, it has to survive opposition.

3. Psalm 105:19 “Until the time that his word came to pass, the word of the Lord tested him.”

- a. Example: Joseph’s word brought him opposition and testing before it was fulfilled.

B. Milk and Meat

1. The milk of the word comforts; the meat of the word—the word of righteousness—provokes you to change.
2. When you have made a declaration about your life, the word of the Lord will come, not to prove failure, but to equip you to succeed.
 - a. The word will knock off of you everything that disqualifies you for your assignment. It comes to cut, refine, burn and knock off everything inconsistent with the proclamation you have made over your life.
3. We do not just look for the verses that make us feel good, but the ones that provoke us to change.
 - a. Example: walking toward the extended sword

VI. The Results of Courage (58:56)

A. What Courageous People Do

1. Courageous people who do not walk in fear are a key for the restoration of backsliders.
2. Courageous people are the key to ignite those Christians who are inactive.

d. There is an extraordinary realm of anointing that is needed for that, but it requires extraordinary humility because it would be easy to divert the glory from Jesus and write a book on how to get Down syndrome healed and promote oneself.

e. The Lord is releasing that anointing to people like you who care about it.

3. If we are supposed to have authority, why did the demons attack the sons of Sceva?

a. The context was a group of Jewish people who were not Spirit-filled believers, but only exorcists who were trying to bring deliverance by using the name of someone they did not serve. The demons recognized that they were not in relationship with the Lord; that is a dangerous thing to do.

b. Jesus gave authority to His followers, so anyone who uses that Scripture to prove that some people cannot deal with demons, needs to read the rest of the Bible.

4. Some Christians pronounce judgment while others do not. Is it wrong to pronounce judgment?

a. It is a real deal. You read in Revelation that judgment is coming. But we emphasize that 95% of the time, God does not want to bring judgment. He is looking for someone to pray and to intercede and to bring a breakthrough. God's desire is mercy. But sin requires judgment, so if it is not dealt with either by the blood of Jesus through their repentance or by the intercessor pleading their case (and either of them will turn away judgment) judgment is coming.

b. One of the fundamental laws in our creation is, "The soul who sins, shall die" (Ezekiel 18:4). God loves mercy so He has another law—Jesus, a Man Who stands in the gap—but that requires our participation. Judgment is a real deal. It is coming, but it does not have to come.

3. What does being single-minded mean and how do you keep your focus on God’s plan?

Single-minded means keeping your focus, your eye, on one thing; it means holding onto the word of God to you and not letting anything distract you. If your eye is single, your whole body will be full of light. It means pursuing your call, serving whole-heartedly, and guarding against distraction from the enemy—which may include “good opportunities” that are not your call. Our self-control, our “yes” to God’s plan, must be so strong that everything else is an automatic “no.” Meditating on God’s Word, remembering what He has already done in the past, and being courageous will keep you filled and focused on His plan.

4. How does the word of the Lord prepare you for what is coming?

Sometimes God’s word to you prepares you for what is coming; sometimes He may give you the same word several times, or only once. If you received the same word several times, it does not mean it is necessarily more important, but just that the word may receive more opposition. In that opposition, you may need to hear it more than once (confirmation) to have the courage to pursue its fulfillment. For the word to go deep in you, it has to survive tribulation or persecution. Once you make a declaration, the word of the Lord will come, not to prove failure, but to equip you to succeed. The word of the Lord will cut, refine, burn and knock off everything that may disqualify you from fulfilling God’s assignment for your life. Listen to God’s voice and look for verses that do not just comfort, but for ones that provoke change.

b. No greater love has a man than to lay down his life for his friends (John 15:13).

- Sometimes it is easier to lay down your friend for a life.

c. Non-dominant people may be casualties of dominant, project-oriented people.

5. We create structure, intentionally or not, by doing things the same way to get what we want.

6. In reaction to a dominant leader who leaves, the church may search for a relational leader.

- a. Things may not be getting done.

7. Highly relational structures may not work with dominant leaders who thrive on significance.

E. Elements of Developing Governmental Structure

1. Discover the type of structure needed.

- a. Who is leading?
- b. Who are they leading?
- c. What epoch season are they leading in?

2. Structure is government.

- a. Example: paths before pavement
 - Sidewalks facilitated destiny.

3. Ask three questions.

- a. Who are you?
- b. Who are you leading?
- c. Who is God to you?
 - Whoever God is to you is Who He will be through you.

II. Defining the Current Epoch Season (17:30)

A. New Manifestations In Changing Epoch Seasons

1. Example: Israelites crossing Jordan River

- a. Manna ceased (Joshua 5:12).
- b. Cloud and pillar of fire ceased.
 - This was the promised land.

2. These Israelites (except for Joshua and Caleb) were born in the wilderness (Joshua 5:4-6).

- a. Because of unbelief, only 2 of the 1.5 million people saw the fulfillment of the prophecy of entering the promised land.

11. Example: building stables for horses today
12. God's invisible attributes, eternal power and divine nature are seen through what is created (Romans 1:20).
 - a. Some deny God (Romans 1:21-25).
 - b. "I saw the angel in the marble and carved until I set him free." – Michelangelo
 - c. Those not wanting to be accountable to God illogically believe He did not create.

III. Three Heavens & Season Changes (33:30)

A. Three Heavens

1. Know heaven's season to reproduce it here.
 - a. Genesis 1:1 "In the beginning God created the heavens and the earth."
 - This is the **first heaven**.
 - b. Ephesians 6:12 "For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places."
 - This is the **second heaven**.
 - The second heaven has power over the first heaven.
 - c. Ephesians 2:6 "And raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus."
 - This is the **third heaven** where we live in Christ, far above all principality and powers (which includes the good angelic beings).
 - Man was originally created a little lower than the angels (Hebrews 2:6-8).
 - When we were recreated in Christ, angels became our servants (Hebrews 1:14).

B. From Heaven Toward Earth

1. Our church's goal is to have God's angel, rather than a demon, as a principality over our city.

a. Jesus pours new wine into current, flexible, new wineskins.

b. “But He answered and said, “It is written, ‘Man shall not live on bread alone, but on every word that proceeds out of the mouth of God’”

(Matthew 4:4).

- God’s word proceeds: current.

c. “Give us this day our **daily** bread”

(Matthew 6:11).

d. Shift with the wind of heavenly places.

IV. Different Seasons—Different Structure (45:00)

A. Determining Heaven’s Seasons

1. Visible signs make determining easier.

B. Linear and Cyclical Thinking

1. Everything does not live forever, but has a cycle.

2. God did not have a beginning.

a. Our salvation is past, present and future.

b. Jesus is the One who was, who is and who is to come (Revelation 1:8).

- He lives in three time zones.

- We are hidden in Christ.

3. We have responsibility in past, present, future.

a. We have a responsibility towards those that have not yet received their reward (Hebrews 11:39-40).

b. “Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, and let us run with endurance the race that is set before us” (Hebrews 12:1).

c. We are responsible to those around us.

d. We have a responsibility to a generation we will never see, in terms of legacy.

C. Israel’s Government

1. Israel had four types of government in this order:

a. Patriarchs: twelve tribes with patriarchs

b. Generals: Moses; Joshua and Caleb when conquering lands

c. Judges: senior prophets as leaders

d. Kings

- I Samuel 10:25 (NKJV) "Then Samuel explained to the people the behavior of royalty, and wrote it in a book and laid it up before the LORD."
- Samuel, the last judge of Israel, knew they were going into a new season from judges to kings, so he taught the people the ways of royalty.

2. Saul was a king out of season.

a. Some have taught God never wanted Israel to have kings, but this appears not to be so.

- God told Abraham that kings would come from him (Genesis 17:6).
- God told David his throne would last forever (I Kings 9:5).

b. God was preparing a king in David.

c. God was angry about Israel's motive for wanting a king and for wanting one out of season.

d. I Samuel 10:1 "Then Samuel took the flask of oil, poured it on his head, kissed him and said, 'Has not the LORD anointed you a ruler over His inheritance?'"

- Samuel used a man-made flask to anoint a man-made king.
- David was anointed with a horn of oil: a God-made container for a God-made king (I Samuel 16:13).

e. At Saul's public presentation as king, he was found hiding in the luggage (I Samuel 10:21-22).

- You need a private encounter and a public encounter to be a leader.
- David became king 14 years after his private anointing.

D. Keys to Epoch Season Leadership

1. Leaders need favor with God and man.

a. Joseph had favor with God, but had no favor with his brothers.

- b. The telling of his prophetic dream eventually landed him in prison (Genesis 37, 39).
 - God has many ways to get us to the palace. It does not have to be the hard way, made by our wrong choices.

- 2. Leave your past behind in order to beat giants.
 - a. Saul was hiding in the luggage, but David left his luggage with the keeper to fight Goliath, the giant (I Samuel 17:22).
 - b. Paul said, “forgetting what lies behind” (Philippians 3:13).
 - c. When you leave an epoch season, leave.
 - Do not hide in the luggage of your past season.

V. Your Personal Structure (56:27)

A. The Structure Surrounding You

- 1. Structure should empower your strengths and cover your weaknesses, not empower your weaknesses and cover your strengths.
 - a. First, identify strengths and weaknesses.
 - b. A structure that empowers your strengths will fit like a tailor-made suit.
 - c. Example: lecture length for speaking
 - As a prophet, speaker needs to know where the people are to take them where he is going with them.
 - Speaker knows the ministry structure/ boundaries in which he functions best.
- 2. Different structures fit different people.
- 3. Structure should accommodate your talents and gifts, so develop one that is best for you.
 - a. Know who you are and who you are leading.
 - Acknowledge your strengths as well as your weaknesses.

Speaker prays for students to be current with God’s seasons and to have wisdom for structure necessary for success (1:08:01 end).

6. What was the point about King Saul in this lesson?

Israel, out of a wrong motivation, wanted a king before God's time for kings. Saul was a man-made king anointed from a man-made flask. He did not appear to be ready to lead as he hid in the luggage. The point is that God has seasons for certain structures and ways. We are to listen to Him daily to know the season so we can lead effectively in that season.

Discussion & Activation:

- 1. Take an honest assessment of your strengths and weaknesses. Write them down. If this is difficult for you, ask a trusted friend for their honest input.**

- 2. Write down what your current structure of life is in this particular epoch season of you being a student. If it does not empower your strengths or cover your weaknesses, adjust it to fit you. Your structure may not necessarily look like the structure of your fellow student.**

- 3. If you are in any leadership role, ask yourself how any principles in this lesson apply to that situation. Make any necessary adjustments in your leadership.**
